<u>Violation No.</u>	<u>Nature of Noncompliance</u>

On January 27, 2014, Mr. Calderhead tested positive for marijuana. He admitted he used marijuana on January 23, 2014, prior to his release from the Bureau of Prisons. He reports no additional illegal drug use since his release on January 24, 2014.

Compliance with Supervision Conditions and Prior Interventions:

Mr. Calderhead began his term of supervised release on January 24, 2014. His supervision is scheduled to expire on January 23, 2016.

Upon release from custody Mr. Calderhead was homeless and the Court modified his conditions of supervision to allow him to reside at Diersen Charities in lieu of the home confinement condition. Mr. Calderhead entered Diersen Charities on January 28, 2014.

It should be noted that Mr. Calderhead received mental health medication while incarcerated and the Bureau of Prisons released him with no supply of mental health medication. He is currently awaiting an assessment to begin substance abuse and mental health treatment and restart his medication.

U.S. Probation Officer Recommendation:

It is respectfully recommended that no action be taken at this time and Mr. Calderhead be allowed to continue to take advantage of substance abuse and mental health treatment and continue on supervision. However, these violations may be considered in the future, if necessary. Any future violations or positive drug tests will be promptly reported to the Court.

The U.S. Attorney's Office has been notified of the probation officer's recommendation.
